- Reconnect with old friends and connect with new friends in a relaxed atmosphere enhanced by sharing the historic and centrally located Yale Club of New York City and the unique museum and theatre activities offered only in New York City.
- Pick your own activities ala carte and move at your own pace and schedule while sharing the activities and experiences with friends.
- Enhance your entire Reunion experience by extending it from three days by another 1-3 days, and add even more reasons why you should plan on joining us for the main Reunion in New Haven.
- We will move together at a slower and deliberate pace recognizing our advanced mature age in years and allow ample time for socializing and making the personal connections that will bring additional cohesion to our New Haven reunion experience itself and power us through life beyond the 60th Reunion itself.

HOW and HOW MUCH:

- Call the Yale Club and reserve a room for your planned stay.
- Call or email Jon Larson to get answers to any questions and to let him know you are joining us and for what days and indicate activities of most interest to you. We will add you to the list to receive all of the additional details via email leading up to the event.
