### **Insurance coverage:**

\_\_\_\_\_ I (we) acknowledge that trip cancellation/interruption insurance is essential for all participants as it can refund all costs paid in the event I (we), those traveling with us, or immediate relatives not travelling become seriously ill, are injured, or cannot participate in the tour for a long list of covered reasons. It can also cover the cost of emergency treatment or medical evacuation on our trip as well as refund unused days if we have to cut our trip short for covered reasons. It can also cover the cost incurred by participants to cover payments for those dropping out (for covered reasons) before second deposit or final payments are made, as well as refund all costs in the event of default of any operator.

\_\_\_\_\_ At least \$7,000 of travel insurance for each person should be purchased separately (we recommend through our group agent TravelPro Services representing TravelSafe) to cover the Tour.

The premium for the recommended TravelSafe group plan is \$307 for \$7,000 of coverage for non-refundable costs. It must be paid within 15 days of your initial deposit payment to waive the exclusion of pre-existing conditions. To secure \$7,000 of trip cancellation insurance, make your insurance check for \$307 per person payable to " CEF c/o Jon Larson" who will forward your check through our insurance broker to TravelSafe on your behalf. Please write in the memo of your check the purpose (travel insurance) and the date you expect to leave the US and the date you expect to return, and mail your insurance check (along with your separate tour registration booking deposit. Additional insurance to cover the air fare can be purchased at the same time for \$40.00 per \$1,000 coverage. Send your two deposit checks directly to Charity Enablers Foundation, c/o Jon Larson, PO Box 751, Tiburon, CA 94920.
